

DIMENSIONS

36.25" wide x 1.875" - 4.25" deep x 6.25" tall

MATERIALS

Solid maple, gunmetal gray anodized aluminum hooks

DESCRIPTION

The Symbol X Maple functions as both a practical storage solution and a commanding, modern sculptural object. No. 11 is a high-contrast board created by applying black dye and sanding back to expose the underlying pattern. Strong tiger striping and lively chromatic shifts from honey to cool gray and blue. A dynamic, modern interpretation of figured maple. As with every Symbol Coat Rack, the hooks lay flat when not in use, flipping down when needed.
