

DIMENSIONS

36.25" wide x 1.875" - 4.25" deep x 6.25" tall

MATERIALS

Solid maple, gunmetal gray anodized aluminum hooks

DESCRIPTION

The Symbol X Maple functions as both a practical storage solution and a commanding, modern sculptural object. No. 12 has a complex, layered surface with blue-gray oxidation, deep brown foundations, and faint warm undertones emerging within the figure. Highly active striping with clarity and depth. A refined, atmospheric board with strong visual presence. Finish is achieved with light iron oxidation and layers of tung oil. As with every Symbol Coat Rack, the hooks lay flat when not in use, flipping down when needed.
